3

6

3 **Write how many dots fill a whole ten frame:** ★

How did it go?

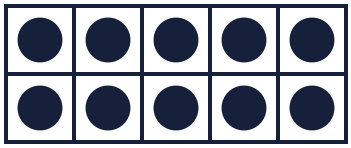

Answer Key: Ten Frames: Count to 10

cozyworksheets

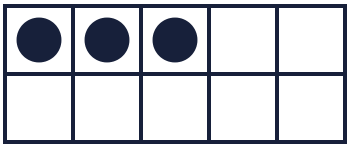

Kindergarten · Math

CCSS K.CC.B.5, CCSS K.CC.A.3 · ★ Easy

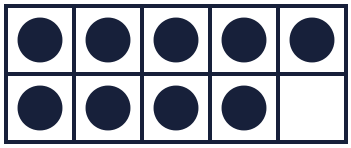

1 Count the dots and write the number.

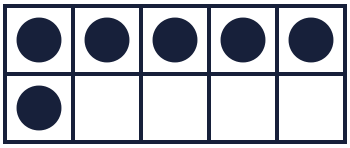

10

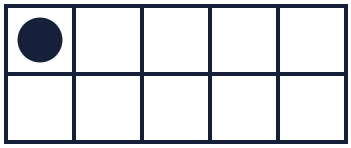

3

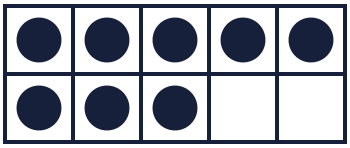

9

6

1

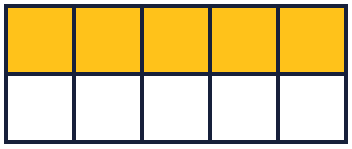

8

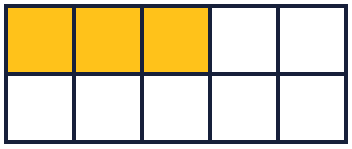

2 Color as many boxes as the number shows.

Any boxes are fine if the count matches. Filling the top row first, from the left, is the usual way.

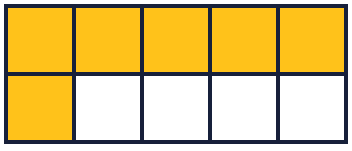

5

3

6

3 Write how many dots fill a whole ten frame: 10 ★
